----------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**Date of Meeting:** Sept 3/25

**Subject:** Speeding Ticket Data

**Motion for Commission to Consider:**  
**Requesting that CBRPS provide District Councillors, on a regular basis, with data on speeding tickets given out in their CBRM Districts.**

**Rationale:**

Residents are continuously complaining about speeding and asking that speeding be addressed. There are several complaints about speeding, burnouts of tires, and illegal passing.

**Outcome Sought:**

I request the Police provide the District Councillors with information on traffic stops and the number of speeding tickets issued within our districts. This will allow us to reassure residents that police presence and speeding enforcement are actively taking place in their community.
