APPENDIX A – AGREEMENT IN PRINCIPLE**Appendix A****AGREEMENT IN PRINCIPLE****BETWEEN:****THE CAPE BRETON REGIONAL MUNICIPALITY**
(hereinafter referred to as "CBRM")**OF THE FIRST PART****CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 933**

(hereinafter referred to as the "Union")

OF THE SECOND PART

WHEREAS CBRM and the Union (together the "Parties"), along with other bargaining agents representing members of the Cape Breton Regional Municipality Pension Plan (the "CBRM Pension Plan"), have been engaged in discussions regarding the enhancement of retirement options for both retired and active members of the CBRM Pension Plan;

AND WHEREAS with the passage of the *Municipal and Other Authorities Pension Plan Transfer Act*, SNS 2016, c. 19 (also known as Bill 55) (the "Act"), the CBRM and the Union have agreed to transfer the assets and liabilities related to the Union's members in the CBRM Pension Plan into the Public Service Superannuation Plan (the "PSSP") in accordance with the terms set out in this agreement (the "Agreement in Principle");

AND WHEREAS the Act requires an agreement regarding the transfer (the "Transfer Agreement") to be negotiated and entered into between the CBRM and the Trustee of the PSSP;

AND WHEREAS the Parties desire the transfer to be effective on September 1, 2017 or such other date as the Parties agree (the "Transfer Date");

AND WHEREAS the Act requires that, before entering into the Transfer Agreement, CBRM shall cause a vote of the transferring members of the CBRM Pension Plan be held, and that a majority of the members to whom the transfer is to apply who cast a vote support the proposed transfer;

AND WHEREAS the existing collective agreement between CBRM and the Union (the "Collective Agreement") requires participation of the Union's members in the CBRM Pension Plan;

AND WHEREAS provided the transfer occurs, an amendment to the Collective Agreement will be required to recognize the new pension arrangements;

AND WHEREAS the Parties wish to take such steps as are necessary to facilitate the transfer herein contemplated;

NOW, THEREFORE the Parties agree to the following:

1. Subject to the terms and conditions set out in this Agreement in Principle, the Union's members, along with all assets and liabilities associated with their participation in the

- 2 -

CBRM Pension Plan, shall be transferred to the PSSP in accordance with the Transfer Agreement.

2. A guiding principle of the Transfer Agreement will be that the amount of pension accrued for each individual under the CBRM Pension Plan as at the Transfer Date will be fully protected in the PSSP.
3. The Transfer Agreement, which will be negotiated between CBRM and the Trustee of the PSSP, shall be acceptable to both Parties and, at a minimum, contain the following terms and conditions:
 - (a) Pensionable service of active members of the CBRM Pension Plan as at the Transfer Date, adjusted as contemplated herein shall be transferred to the PSSP and benefits will be paid in the future from the PSSP under the terms and conditions of the PSSP;
 - (b) Once transferred, should the pension payable from the PSSP (both in respect of the pension payable prior to age 65 and after age 65) at the date of a member's retirement, termination or death, in respect to the pensionable service transferred be less than the member's pension payable under the CBRM Pension Plan at the Transfer Date, the pension payable under the PSSP in respect of that transferred service will be increased to the amount that would have been payable under the CBRM Pension Plan in respect of that service;
 - (c) Pensions in pay at the Transfer Date shall be paid from the PSSP in the same form and amount (eg. a joint- and survivor 66.67% pension; or a 10 year guarantee) as payable under the CBRM Pension Plan, and each retired member shall be entitled to the same post-retirement indexing as other PSSP members after the Transfer Date;
 - (d) On the Transfer Date, the accrued lifetime pension of each active member based on his or her service in the CBRM Plan shall be determined under the PSSP lifetime pension formula. If it is greater than the accrued lifetime pension determined on the same service under the CBRM pension formula, the pensionable service transferred to the PSSP for such a member shall be adjusted down such that the accrued lifetime pension under the PSSP formula equals the member's CBRM lifetime pension on the Transfer Date;
 - (e) Commencing on the Transfer Date, service of all members will accrue under the PSSP.
 - (f) In addition to any adjustments to service contemplated in subparagraph 3(d) above, in the event that the assets in the CBRM Pension Plan as at the Transfer Date are not sufficient to fund all members' benefits, a further adjustment to each member's pensionable service at the Transfer Date will be made so that the benefits being transferred are fully funded. Such adjustment shall be made in an equitable manner as determined by the CBRM Pension Plan's actuary. If after those further adjustments, the assets of the CBRM Pension Plan are still not sufficient to fully fund the benefits to be transferred, CBRM shall pay such additional amounts to the PSSP as are necessary to fully fund the benefits. This paragraph 3(f) does not in any way alter the effect of paragraph 3(b) above to fully protect the amount of pension accrued under the CBRM Pension Plan with respect to service in that plan at the Transfer Date.

- 3 -

- (g) Any service lost in accordance with subparagraph 3(d) or 3(f) herein can be purchased under the PSSP by the member at 100% of the cost;
- (h) All service under the CBRM Pension Plan, regardless of any adjustment in accordance with subparagraph 3(d) or 3(f) herein, will count and be used to determine eligibility for any purpose (including for early retirement) under the PSSP.
- (i) If the assets in the CBRM Pension Plan at the Transfer Date are more than sufficient to fund all members' benefits, such excess assets will be used to increase the benefits of the CBRM members on a *pro rata* basis as determined by the actuary of the CBRM Pension Plan, subject to any limitation under the *Income Tax Act (Canada)*.
4. Until the Transfer Date, CBRM shall continue to contribute to the CBRM Pension Plan in accordance with the requirements of that plan. Subsequent to the Transfer Date, CBRM shall participate in and contribute to the PSSP in accordance with the requirements of the PSSP.
5. This Agreement in Principle is conditional upon approval by the Union's members who are affected by the transfer. Those members shall, as required by the Act, be provided an opportunity to vote on the transfer of their pensions to the PSSP prior to the Transfer Agreement being entered into by the CBRM. Provided a majority of those members voting vote in favour of the transfer, this condition shall be met.
6. It is anticipated that the vote contemplated in paragraph 5 above will be structured in such a way as to also constitute a ratification vote by the affected members of the amendments to the Collective Agreement necessitated by the change in pension arrangements. Subject to such ratification vote, the Collective Agreement shall, effective upon the Transfer Date, be amended to delete Article 26 [equivalent Articles of the other unions' collective agreements to be substituted here] and to add provisions which require as follows [Note, the following list is subject to change as it may not be exhaustive, and each union will want input into the content:
- all employees shall participate in the Public Service Superannuation Plan;

 - further, the participation of the employees in the Public Service Superannuation Plan is subject to and must be in accordance with the terms of the Transfer Agreement dated _____, which is attached as Schedule "B" to this Collective Agreement, forms part hereof, and is enforceable in accordance with the terms hereof.
7. This Agreement in Principle is enforceable in accordance with the grievance and arbitration provisions of the Collective Agreement.
