RESOLUTION

Opposing the Closures of the New Waterford Consolidated Hospital and the Northside General Hospital

Whereas, everyone in Cape Breton, Nova Scotia, and all of Canada, deserves to have access to the health care they need, and

Whereas, the New Waterford Consolidated Hospital and Northside General Hospital are longstanding community institutions, built by our people to take care of our people, and

Whereas, the closure of these hospitals is completely unacceptable to the people of the Cape Breton Regional Municipality.

Therefore be it resolved that CBRM Mayor Cecil P. Clarke and Council write letters to Ministers Derek Mombourquette and Geoff MacLellan, Health and Wellness Minister Randy Delorey and Premier Stephen McNeil demanding the provincial government keep all community hospitals in Cape Breton open.
