ADJOURNMENT

Harbor Port Development Partners Exclusivity Agreement Extension

Motion:

Moved by Councillor MacLeod; seconded by Councillor George MacDonald to approve the following recommendations as presented:

- THAT HPDP's previously granted exclusivity rights be extended for an additional five year period commencing on the date of this Motion.
- THAT it is a condition of the agreement with Ports America that, in accordance with international standards, the financial return of CBRM be based upon its tax revenues as well as a market return on the Project lands.
- THAT the Administration be authorized to enter into on behalf of CBRM an extension and amendment agreement leading to a final definitive agreement to effect the foregoing and that this final definitive agreement be subject to Council approval.
- THAT the CBRM continue to pursue a Municipal Charter, or other enabling accommodations, with the Province that outlines the needs listed above.

Motion to Postpone:

Moved by Councillor MacMullin; seconded by Councillor Coombes to postpone the question until a time that Council can obtain independent legal advice required to make an educated and informed decision in the best interests of CBRM.

Discussion Continued - December 19th, 2016

Mayor Clarke resumed the debate on the motion to postpone, with a recap of Council speaking times on the motions from the December 15th meeting.

The following issues were raised during discussion:

- Financial Implications of this motion and potential risk to CBRM;
- Royalties;
- Getting the best deal for CBRM;
- Flawed process;
- The Definitive Agreement must come back to Council for approval

The Mayor called for the vote on the motion to postpone.

Motion to Postpone Defeated.

Discussion of the Main Motion:

Concern was expressed A question was raised by a number of Councillors that by approving this motion, is the Municipality ~~would be~~ obligated to sell the land for \$10 million if CBRM cannot or provide the 99 year lease.

Solicitor Gogan clarified for Council that there is no obligation to sell or lease the land until a final agreement has been reached with Council. responded to the question: would CBRM be obligated to sell the land if a full agreement has not been reached, and the answer is unequivocally No.

The Mayor called for the vote on the main motion.

Main Motion Carried.

PROCLAMATION

STORYTELLING DAY 2017

- Whereas:** Cape Breton's rich and vital cultural heritage relies upon the lively exchange of stories, both to celebrate our past and to preserve wisdom from previous generations;
- And Whereas:** The region's shifting demographics mean new cultural influences and new stories, which can help us, see and shape our role within a global future;
- And Whereas:** A diversity of stories and voices results in a unique and complex culture, further positioning Cape Breton as a destination of interest for world travelers and investors;
- Be It Therefore Resolved:** That storytelling be officially recognized by the Cape Breton Regional Municipality as a *significant cultural resource deserving of support* and that March 20th, 2017 be declared as annual Cape Breton Storytelling Day.

Cape Breton Regional Municipality Rate Study and Application to Nova Scotia Utility and Review Board.

Background

In 2016, Cape Breton Regional Municipality Council was advised that the current water rates charged to its water customers did not generate enough revenue to cover the cost of operating the water utility. A presentation was made to Cape Breton Regional Municipality Council requesting approval to retain a consulting firm to prepare a water rate study. Cape Breton Regional Municipality Council approved the recommendation at a July 19th, 2016 council meeting. The consulting firm G.A. Isenor Consulting Ltd. has completed this review and upon approval by Cape Breton Regional Municipality Council will submit an application to the Nova Scotia Utility and Review Board seeking approval for the water rates outlined in the study. The rate application is intended to gain approval for water rates from 2017 up until March 31th 2020. This application will also contain provision for fire protection charged to Cape Breton Regional Municipality, as well as, general operating rules and regulations. The findings of this study reflect the need for a water rate increase to residential customers of 21.1% (pg. 31 – worksheet D-1) to ensure the Water Utility does not continue to incur an operating deficit.

Recommendation

Cape Breton Regional Municipality Council approve the rate study as presented and authorize the submission of a Water Rate Application to the Nova Scotia Utility and Review Board. The timing of this process is important to the financial stability of the utility as the date the rates will become effective is based upon Nova Scotia Utility and Review Board approval.

Respectfully submitted

SUBJECT: Request from New Aberdeen Revitalization Affordable
Housing Society- PID 15440480
26 Ninth Street, Glace Bay
File No. 07326

DATE: February 21st, 2017

A motion was carried at a Council Meeting held on January 24th, 2017 approving the conveyance of PID 15440480 to the New Aberdeen Revitalization Society for consideration of \$1.00.

The legal department prepared the necessary documents to convey the property to the Society in accordance with Municipal Government Act and our Property Management Policy. The Quit Claim Deed has been signed by the Mayor and Clerk and ready to be signed by the Society as well as the Agreement of Purchase and Sale. Subsequent to the approved motion of council, CBRM received a letter from the Society requesting a provision of the Policy be reconsidered.

Property Management Policy states

5.5 Time Limits For Construction

- a) the grantee for self, heirs, administrators, executors, and assigns, covenants and agree to start erection of a residential dwelling on the said lands purchased within three hundred and sixty five (365) days of the date of closing and to complete such building within five hundred and forty eight (548) days of starting construction unless previous written authorization to delay such construction is received from CBRM.

Attached is a copy of a letter from Jennifer Ludlow, dated January 28th, 2017 requesting Cape Breton Regional Municipality consider waiving the time limitation for construction on the above-noted property as directed in our current Policy.

Current Policy allows for an extension provided written authorization is received from the Municipality. Staff, Paul Burt, Building Services Manager and Malcolm Gillis, Director of Planning have both provided confirmation they are not opposed to offering an extension to the New Aberdeen Revitalization Affordable Housing Society.

RECOMMENDATION:

In keeping with our current Policy, the recommendation is to deny the request submitted by the Society. However, we are not opposed to recommending to council that they grant an extension to the Society relating to the time limit for commencing construction.

Thank you.

Sincerely,

Cape Breton Regional Municipal Council
Civic Center, Esplanade Street
Sydney, Nova Scotia

Dear Council Members;

Thank you for conveying the property at 26, 9th Street, in Glace Bay, to us for \$1.00, and for your support. We believe once a sold sign is placed on the first property it will have a very positive impact on the area.

However, during our January 12th meeting, our group expressed concern about the proviso: if construction doesn't begin within one year, the property would revert back to the CBRM. We see that as a possible obstacle and question why that is necessary. We also wonder if that could result in legal repercussions for us, since it would have been purchased from us.

Unfortunately, this had not been discussed by the group prior to the January 10th general council meeting, and Mr. Moore could not make the request at that time. Therefore, we are requesting you to consider waving that proviso, because most of those expressing interest in this land, see it as a good opportunity, but are still working, usually in another province, and unable to commit to that time frame. Anyone who does purchase that land, will pay taxes on their land, until they are ready to build. That amount is small but is a positive step for what has been surplus properties.

We do plan to ask for a letter of intent, explaining when s/he does plan to begin construction. We will also explain that s/he must present their plans to the CBRM for approval, to obtain a building permit; and that construction is subject to provincial building codes, municipal by-laws and zoning status, before any construction can proceed.

This has created a positive buzz within the area and the town in general; and we want to express our sincere thanks for your cooperation, support, and direction. Hopefully, this can be resolved quickly because we have an impatient potential buyer, and another inquiry on several other properties.

Again, thank you for your co-operation and support, and I remain

Respectfully yours,

Jennifer Ludlow

Chairperson for the New Aberdeen Revitalization and Affordable Housing Society

Request from New Aberdeen Revitalization Society:

Motion:

Moved by Councillor Bruckschwaiger, seconded by Councillor Coombes, to approve the conveyance of PID #15440480 to the New Aberdeen Revitalization Society for the sum \$1.00, in accordance with Section 51 of the *Municipal Government Act*.

Motion Carried.

**TO: CBRM Council****FROM: Karen Neville****SUBJECT: DEVELOPMENT AGREEMENT DISCHARGE – 1032
Jason Gerrow
1507 Long Island Road, Georges River
(PID 15190648)****DATE: February 15th, 2017**

Introduction

The Planning and Development Department has received a request from Jason Gerrow to discharge the Development Agreement in effect for PID 15190648 (1507 Long Island Road, Georges River) [Attachment A]. A Development Agreement is a contract entered into between the property owner and the Municipality that specifically regulates a development on a parcel of land. The Development Agreement in effect for PID 15190648 was approved by CBRM Council pursuant to the *Municipal Government Act* and the Western Cape Breton County Municipality Planning Strategy in June 2004. This Development Agreement permits the operation of an auto body and tire shop in the former Georges River School which was once located on the property.

The former school building was demolished prior to the issuance of a Building Development Permit for the installation of a mobile home in 2007. Mr. Gerrow purchased the property in 2008. In 2014, Mr. Gerrow applied for a Building Development Permit for the removal of the mobile home and the construction of a single detached dwelling. The property owner does not intend on operating an auto body and tire shop operation on this property; therefore he has requested the Development Agreement be discharged.

Evaluation

The Municipal Planning Strategy contains a policy that states Council shall continue to retain a select list of Development Agreements adopted prior to the Municipal Planning Strategy coming into effect. The Development Agreement subject to PID 15190648 is included in the list of Development Agreements found in the Land Use By-law. According to the *Municipal Government Act*, Council may discharge a Development Agreement, in whole or in part, in accordance with the terms of the agreement or with the concurrence of the property owner. After the Development Agreement is discharged, the property will be subject to the zoning in the Land Use By-law. With the exception of the convenience store located at the corner of Scotch Lake Road and Long Island Road, the area surrounding PID 15190648 is comprised predominantly of residential development and is zoned Rural CBRM (Attachment A). Given the fact the auto body and tire shop is no longer being operated on this property, the property contains a residential dwelling, and the property owner is requesting its discharge, it is reasonable for Council to discharge the Development Agreement.

Recommendation

I recommend that Council pass a Motion to discharge the Development Agreement in effect for PID 1519064. As well, I recommend Council as pass a Motion to direct staff to include the necessary amendments to the Land Use By-law associated with the discharge of the Development Agreement as part of the Winter Review.

Re: Agenda Items — February 7th, 2017 General Committee Meeting
Date: February 1st, 2017

Dear Deborah:

I am requesting that at the February 7th, 2017 General Committee meeting that the issue of Livestock Animals be included in the agenda for discussion.

The issue of livestock animals being kept in densely urban areas is leading to animosity between neighbours. The keeping of livestock animals is causing adverse effects on neighbours through odor and noise. I understand that fellow Councillors have expressed frustration with a lack of a by-law regarding and the lack of regulations to the keeping of livestock. When researching the issue, I was told by staff it is a zoning and planning issue. That staff be directed to prepare an issue paper on the regulation required to the keeping of livestock animals in densely urban areas of the CBRM.

Thanking you for your time and consideration.

Sincerely;

Subject: Fire and Emergency Services Committee - Vacancy

Further to the adoption of the Nominating Committee Report by Council on January 24, 2017, the Clerk's office has been contacted by Councillor Clarence Prince regarding his appointment to the Fire and Emergency Services Committee for 2017.

Councillor Prince expressed his thanks to the Nominating Committee and to the Council members for endorsing his application to serve on the Fire Services Committee during the first year of Council's mandate. However, upon reflection after the meeting, he has decided to step aside and hear what new ideas may come from the Committee pertaining to the Fire Review Report. Councillor Prince indicated that he will be able to voice his opinion at the Council table when updates are provided on a timely basis.

Recommendation:

In order to expedite the process, it is recommended that at the February 21st meeting of Council, the Mayor call for nominations from the floor to fill the vacancy on the Fire and Emergency Services Committee, and if more than one nomination is put forward, that an election by secret ballot be held.

The list of the newly-appointed members of the Fire and Emergency Services Committee is attached for the information of the General Committee.

Yours truly,

Memo

TO: CBRM Council

FROM: Paul Burt, Manager Building, Planning & Licensing Laws

DATE: February 17, 2017

RE: Notices of Intent to Demolish

Attached is the list of properties we intend to present to Municipal Council on February 21, 2017 to seek a motion to demolish in accordance with the Dangerous and Unsightly provisions of the **Municipal Government Act**.

These are the worst properties on the list to be demolished as determined using the Vacant Building Assessment Checklist.

These properties have had the intent to demolish orders posted on them and, as well, the registered property owners have been sent registered letters and/or have had the notices served on them personally and to date there have been no appeals received.

Sincerely, _____
